Prayer List

~**Nancy Friedrich** requests prayers for **her great-niece, Evie**. She is back in the hospital for a possible shunt failure. Please pray for her.

~**Diana Cooper** requests prayers for **her dad**, who is having a lot of health problems. She thinks that what her dad is praying for the most, is that at his January 27th appointment, the doctor will remove his catheter. Diana is also praying that whatever happens, that he will be feeling well when she visits him in April for his 75th birthday. Please pray for her dad's healing.

~**Mike & Judy Monroe** requests pray-ers for a good friend of Mike's, **Larry Massey**, who is in the hospital and has pancreatic cancer. Please pray for his healing. He's a believer.

~Please keep **Michelle Cook's mom, Linda Bell**, in your prayers. She fell and was in the hospital recently. The doctor took her off of a medication she had been on for many years, and she is having some problems as a result.

~**Charlotte Bright** requests prayers for her granddaughter, **Holly**, who is currently in rehabilitation. Please pray for her successful recovery.

~**The Leach family** requests prayers for Jenny's sister, **Sally Sloan**. Sally's husband, **Gary**, passed away on Jan. 10th. (*Gary & Sally have been on our Long-Term Prayer List for a long time, as they both were battling leukemia and then Gary was also diagnosed with lung cancer awhile back.*) Please keep this family in your prayers. If you'd like to send a card, Sally's address is: **Sally Sloan, 2205 Village Dr., Muncie, IN 47304**

~It was good having **Larry Calvert** back with us recently, following his hospitalization and his wound recovery at home, from a staph infection where his pacemaker broke through.

~Please keep **Tim Leach** in your pray-ers, as he recovers from pneumonia. Please pray for his quick and full re-

covery.

~Please continue to keep **Nancy Fried- rich** in your prayers as she recovers from cellulitis.

~Prayers are requested for **Paul & Cheryl Teague's grandson, Wyatt**.

~**Marilyn Kitchen** requests continued prayers for 7-year-old **Scarlett Revis**. She's been at Riley Children's Hosp. in Indy, for over a month, due to having 3 skull fractures inflicted upon by her stepmother. **Update:** *She's had sur- gery to reduce bleeding in her brain and a surgery to repair the fractures in her skull.* **Most Recent Update:** *Scarlett has been moved to the rehab unit where she is receiving speech, physical and occupational therapy. She is sitting up, talking some, smiling and has movement on one side. The thera- pist has had her up walking with assis- tance. Praise God for these improve- ments and the answered prayers! Please continue to pray for Scarlett and her family, as she continues her recovery. (Her stepmother and the biological father have custody of her. Evidently, the father has known about the abuse for 6 months and never reported it. They are both currently in the Blackford County jail. Scarlett's biological mom is with her at Riley. The paternal grandparents have the two- year-old twins, trying to keep them out of the "system" but are struggling with resources to care for them.)*

~Prayers are requested for **Cristy Abels**, as her cancer has returned, and it is in her brain. Please pray for her healing and strength, as she has endured a long battle with cancer.

~**Lois Calvert** requests prayers for her niece, **Susan**, who has liver cancer and several cancerous lesions on her brain. She was to have surgery on Dec. 12th. Another niece, **Sandy**, who has colon cancer, fell and cracked her pelvis. She can no longer take the treatment she was on. When her pelvis heals, radiation will be considered.

~**Dave Mathews** requests continued prayers for his brother-in-law, **Ray Lego**, (Dave's sister, Gayle's hus- band). Ray is battling an aggressive cancer within his prostate. Please pray for both **Ray & Gayle** as they deal with this, and pray for Ray's healing and for his good PET scan result.

~Please keep **Jerry Monroe** in your prayers, as he's dealing with bone cancer. He's staying with his mother, Oretha and sister, Margaret.

~Please continue prayers for **Oretha Monroe**, and pray for all the **Monroe family**, as several have health issues.

~**Diana Cooper** requests prayers for her friend, **Karra** and her family. Karra's breast cancer seemed to be in remis- sion, but it was discovered that it has metastasized to her brain. **Update:** *She found out that she has 4 tumors in her brain.* **Recent Good New Update:** *Karra had a recent scan that showed that the chemo is continuing to work and there are no new tumors or lesions. She is cleared to finally return to work at the beginning of February.*

(*As you'll recall, he's been on our Long-Term Prayer List due to his suffering with an aggressive type of Parkinson's disease.
