Welcome Visitors!

We're glad you came our way; please let us get to know you better. Please take the time to fill out a Visitor's Card. There is a carry-in fellowship dinner some Sunday mornings after services—Please stay as our honored guests, and let us get to know you better.

Here, we strive to follow Jesus as he is seen in the New Testament. We pray, study, sing, and take communion together in order to grow closer to God and to each other.

We would love to have you grow with us toward Christ. If we can help you, in any way, please talk to us. The telephone numbers of our elders, deacons, and minister can be found within this bulletin. We hope to see you again soon and often!

Lord, you have been our dwelling place throughout all generations. Before the mountains were born or you brought forth the earth and the world, from everlasting to everlasting you are God.

Prayer List

~Prayers are requested for **Michelle Cook and all the family of her brother, Beau Bell**, who passed away last Monday. (As you'll recall, he was on Fairlawn's Long-Term Prayer List for battling an aggressive type of Parkinson's disease.) Please keep this family in your prayers as they grieve the loss of Beau.

~**Chris Monroe** let us know that **Jerry Monroe** had his pacemaker inserted last Tuesday, and at that point, everything was looking good. He is thankful for the prayers. Please continue to pray for his recovery.

~**Becky Parks** informed us that her sister, **Cindy Rifner**, passed away on Feb. 18th. She was recently diagnosed with cancer, but this happened so fast. She was Katie and Ethan Mulford's grandma. Please pray for this family as they deal with the loss of Cindy.

~**Ralph Bright's nephew, Billy Boling**, passed away. Please pray for the family as they deal with the loss of him.

~Please keep **Tim Walls** in your prayers, as he recovers from congestive heart failure and extreme edema. He is home from the hospital now. Please pray for his full recovery from this.

~**Linda Muckway's 20-month-old-great niece, Harper**, was recently diagnosed with leukemia. She's currently receiving chemo, and will soon have testing to determine which type of leukemia she has. Harper also has an identical twin sister, **Sloane**, who will have to be checked periodically. They are also doing some genetic testing to check for other types of mutations. Harper has responded well to the first 10-day round of chemo. It was completed on Feb. 15th, and she needs to stay in isolation longer because she developed a virus, and they also have to wait for her white blood cell count to improve.

~Prayers are requested for **Tim Leach**, who fell on Feb. 1st and broke his hip. He had surgery on Feb. 2nd

and did well. They put pins in and a clamp around the bone to keep it together. On Feb. 4th, he was moved to Morrison Woods, where he will undergo rehab. Please pray for his quick and full recovery from this. *Tim & Jenny appreciate everyone's prayers and concern.*

~**Diana Cooper** requests continued prayers for her neighbor, whose back surgery went great, but complications with her lungs arose and after trying multiple oxygen treatments and machines, they are waiting on the results of a CT scan and considering intubation. Please pray for her good results and healing.

~**Diana Cooper** requests continued prayers for her dad, who still has a catheter and is slated for surgery in May. Diana is also praying that he will be feeling well when she visits him in April for his 75th birthday. Please pray for his healing.

~**Nancy Friedrich** requests prayers for her great-niece, **Evie**. She's having issues (nausea, dizziness, and a feeling of pressure in her head) from her condition of water on the brain. She's been seen in the ER and will be evaluated at the clinic on Feb. 19th. She may need further surgery to do a revision of her shunt system.

~**Charlotte Bright** requests prayers for her granddaughter, **Holly**, who is currently in rehab. Please pray for her successful recovery.

~Please continue to keep **Nancy Friedrich** in your prayers as she is dealing with some health issues.

~**Marilyn Kitchen** informed us that **Scarlett Revis** is home now and doing well! Praise the Lord for answered prayers! Please continue prayers for her as she continues with her rehab. at home.

~Prayers are requested for **Cristy Abels**, as her cancer has returned, and it is in her brain. Please pray for

Prayer List Cont'd. from Page 2

her healing and strength, as she has endured a long battle with cancer.

~**Lois Calvert** requests prayers for her niece, **Susan**, who has liver cancer and several cancerous lesions on her brain. She was to have surgery on Dec. 12th. Another niece, **Sandy**, who has colon cancer, fell and cracked her pelvis. She can no longer take the treatment she was on. When her pelvis heals, radiation will be considered.

~**Dave Mathews** requests continued prayers for his brother-in-law, **Ray Lego**. (Dave's sister, Gayle's husband). Ray is battling an aggressive cancer within his prostate. Please pray for both **Ray & Gayle** as they deal with this, and pray for Ray's healing and for his good PET scan result.

~Please keep **Jerry Monroe** in your prayers, as he's dealing with bone cancer. He's staying with his mother, Oretha and sister, Margaret. Please also continue prayers for **Oretha Monroe**, and pray for all the **Monroe family**, as several have health issues.

~**Diana Cooper** requests prayers for her friend, **Karra** and her family. Karra's breast cancer seemed to be in remission, but it was discovered that it had metastasized to her brain, and she has 4 tumors in her brain. **Update:** *Karra had a recent scan that showed that the chemo is continuing to work and there are no new tumors or lesions. She was cleared to finally return to work in Feb.*
