Welcome Visitors!

We're glad you came our way; please let us get to know you better. Please take the time to fill out a Visitor's Card. There is a carry-in fellowship dinner some Sunday mornings after services—Please stay as our honored guests, and let us get to know you better.

Here, we strive to follow Jesus as he is seen in the New Testament. We pray, study, sing, and take communion together in order to grow closer to God and to each other.

We would love to have you grow with us toward Christ. If we can help you, in any way, please talk to us. The telephone numbers of our elders, deacons, and minister can be found within this bulletin. We hope to see you again soon and often!

Prayer List

~**Charlotte Bright's grandson's wife, Olivia Bright**, was in the hospital overnight with a high fever on April 14th. (*They live in Lafayette, and she had just had a baby on April 8th.*) She was found to have a really bad infection. She was home from the hospital the next day and is on antibiotics and the baby can nurse, and she's on the mend. Please pray for her quick and full recovery.

~**Charlotte Bright** requests prayers for her stepdaughter, **Karen Bouc**, who has tumors in her lungs, and they think that they are cancerous. She is waiting on test results. Please pray for her good results and healing.

~**Lois Calvert** informed us that **her niece, Susan Cloninger**, passed away. (*As you'll recall, Susan was on our prayer list and was suffering from liver cancer and had several cancerous lesions on her brain.*) Please pray for the family during their time of loss.

~Please continue to keep in your prayers, **Jenny** and all the family of **Tim Leach**, who passed away to be with the Lord on April 1st. (*Please see the Thank-You card from Jenny and family posted on the bulletin board.*)

~**Marty Hurst** requests prayers for **his sister, Debbie Raines**, who found out she has stage 4 colon cancer and a mass on her liver. She was to have surgery recently to remove the mass. Please pray for her good surgery results and healing.

~Prayers are requested for **Dani DeJesus' baby girl, Juliette**, who will have an MRI in late April, for a growth on her collar bone.

~**Nancy Friedrich** requests continued prayers for **her great-niece, Evie**, (age 9). She has had 5 surgeries in the last 18 months. There is no cure for her condition. Please also pray for Evie's parents, who have to keep on top of her issues.

~**Linda Muckway's 20-month-old-**

great niece, Harper, was recently diagnosed with leukemia. She's currently receiving chemo, and will soon have testing to determine which type of leukemia she has. Harper also has an identical twin sister, **Sloane**, who will have to be checked periodically. They are also doing some genetic testing to check for other types of mutations. Harper has responded well to the first 10-day round of chemo. It was completed on Feb. 15th, and she needs to stay in isolation longer because she developed a virus, and they also have to wait for her white blood cell count to improve.

~**Marilyn Kitchen** informed us that **Scarlett Revis** is back in school for a couple of hours each day. It was assumed she probably would not go back until next school year and would have to repeat 2nd grade. Now, it looks like she is doing well enough that she may be ready to move on to third grade next year. She remains in a wheelchair, but is taking a few steps with assistance. Praise God for what He is doing in speeding her healing, and for giving Scarlett such determination to get well!

~**Diana Cooper** requests continued prayers for **her neighbor**, whose back surgery went great, but she had some complications with her lungs afterward. Please pray for her healing & recovery.

~Please continue to keep all of the **Monroe Family** in your prayers, as several have health issues. *Please see their Thank-You card posted on the bulletin board.*

~**Charlotte Bright** requests prayers for her granddaughter, **Holly**, who is currently in rehab. Please pray for her successful recovery. Please also keep the Bright's daughter-in-law, **Collette Bright**, in your prayers, as she has several medical issues.

~Please continue to keep **Nancy Friedrich** in your prayers as she is

dealing with some health issues.

~Prayers are requested for **Cristy Abels**, as her cancer has returned, and it is in her brain. Please pray for her healing and strength, as she has endured a long battle with cancer.

~**Lois Calvert** requests prayers for her niece, **Sandy**, who has colon cancer and fell and cracked her pelvis. She can no longer take the treatment she was on. When her pelvis heals, radiation will be considered.

~**Dave Mathews** requests continued prayers for his brother-in-law, **Ray Lego**, (Dave's sister, Gayle's husband). Ray is battling an aggressive cancer within his prostate. Please pray for both **Ray & Gayle** as they deal with this, and pray for Ray's healing and for his good PET scan result.
