***Welcome Visitors!***

We're glad you came our way; please let us get to know you better. Please take the time to fill out a Visitor's Card. There is a carry-in fellowship dinner some Sunday mornings after services—Please stay as our honored guests, and let us get to know you better.

Here, we strive to follow Jesus as he is seen in the New Testament. We pray, study, sing, and take communion together in order to grow closer to God and to each other.

We would love to have you grow with us toward Christ. If we can help you, in any way, please talk to us. The telephone numbers of our elders, deacons, and minister can be found within this bulletin. We hope to see you again soon and often!

# Prayer List

~Prayers are requested for **Tim Walls**, who experienced a new heart issue on May 21st. His upper heart chamber is not in rhythm with the bottom chamber. This is completely separate from Afib, which he already has, so two heart issues at the same time. It causes him to blackout. **Update:** *Tim saw his cardiologist and she told him it was a "false alarm." Just Afib, (not heart out of rhythm), and it was caused by an over-the-counter drug reaction with his heart medications! Tim said his heart is back to normal for now until the next episode! He also said that ever since he turned 70, it seems it's always something!* Please keep him in your prayers.

~**Courtney (Mathews) Sullivan** requests prayers for her mother-in-law, **Carrie Sullivan**, who has an aneurysm in her chest.

~Prayers are requested for **Candace Pitts, (a friend of Ryan Sullivan's)**, who has acute Myeloma Leukemia.

~**Marty Hurst** requests prayers for his wife, **Annette**, who was admitted to BMH on April 27th. Her oxygen is low, and they are trying to correct that. She was expected to stay in the hospital a few more days. **Marty's daughter, Amber Hurst**, is dealing with breast cancer. She's had some surgery, and they are now setting up a treatment plan (chemo/radiation). **His sister, Debbie Raines**, is still dealing with her cancer situation, and they are working on treatment options. Please pray for healing and recovery for these Hurst family members.

~Prayers are requested for **Dani DeJesus' baby girl, Juliette**, who had an MRI for a growth on her collar bone, and they are awaiting the results. Please keep her in your prayers.

~**Charlotte Bright** requests prayers for her stepdaughter, **Karen Bouc**, who has tumors in her lungs, and they think that they are cancerous. She is waiting on test results. Please pray for

her good results and healing.

~**Diana Cooper** requests continued prayers for her neighbor, whose back surgery went well, but she had some complications with her lungs afterward. **Update:** *She was released from rehab to go home on April 21st, (TOO SOON!), and she called Diana several times not being able to get up from her chair, the toilet, etc. She ended up falling and went back to the hospital on April 25th. She has back fractures with pooling blood, and blood clots in her lungs.* Please pray for her healing & recovery.

~**Nancy Friedrich** requests continued prayers for her great-niece, **Evie**, (age 9). She has had 5 surgeries in the last 18 months. There is no cure for her condition. Please also pray for Evie's parents, who have to keep on top of her issues.

~**Linda Muckway** requests continued prayers for her nearly 2-year-old great niece, **Harper**, who was recently diagnosed with leukemia. **Update:** *Harper's care has now been transferred to Lurie Children's Hosp. downtown (Chicago), where she's receiving a combination of chemo drugs that have been used in clinical trials with success.* The family would appreciate your continued prayers for **Harper, her parents, and her twin sister, Sloane**. (The twins will turn two on June 6th.)

~**Marilyn Kitchen** informed us that **Scarlett Revis** is back in school for a couple of hours each day. It was assumed she probably would not go back until next school year and would have to repeat 2nd grade. Now, it looks like she is doing well enough that she may be ready to move on to third grade next year. She remains in a wheelchair, but is taking a few steps with assistance. Praise God for what He is doing in speeding her healing, and for giving Scarlett such determination to get well!

~Please continue to keep all of the **Monroe Family** in your prayers, as
